

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PIPE REPLACEMENT PROGRAM FILING) CASE NO.
OF ATMOS ENERGY CORPORATION) 2011-00120

ORDER

On March 31, 2011, Atmos Energy Corporation ("Atmos") filed with this Commission its initial Pipe Replacement Program ("PRP") to establish PRP Rider rates for the months of June through September 2011. Atmos responded to two rounds of Commission Staff information requests, one of which was requested through a telephonic informal conference. There are no intervenors in this proceeding. The case now stands submitted for decision.

Having reviewed the evidence of record and being otherwise sufficiently advised, the Commission finds that the information contained in Atmos's application, along with its data responses, is in sufficient detail to support the reasonableness of Atmos's proposed PRP Rider rates.

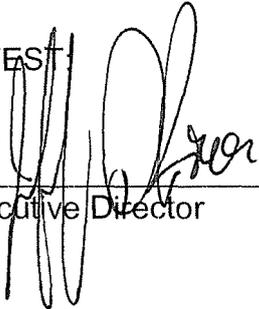

IT IS HEREBY ORDERED that:

1. The PRP rates in the Appendix to this Order are approved for service rendered by Atmos on and after June 1, 2011.
2. Within 20 days of the date of this Order, Atmos shall file its revised tariffs with this Commission, setting out the PRP Rider rates authorized herein and reflecting that they were approved pursuant to this Order.

By the Commission
